Subject: RE: Briefing states on Draft Cadmium criteria on Jan. 20 ACWA call?

Hi Mike,

I just wanted to check-in and see if you have any questions about the call tomorrow? Your presentation is the only agenda item, so there is plenty of time. We will want to allow sometime at the end for states to ask questions. Below is the agenda I circulated to the states.

Best,

Susan

Hi Kathryn,

We think that states would benefit from a briefing on the draft Cadmium criteria during the comment period. We have an ACWA Monitoring, Standards and Assessment Committee Call scheduled for Jan. 20, 2:30 – 4 p.m. Would you be available during that time to join the call and brief states? Please respond whenever you have a chance to check your schedule.

Best,

Susan
